Our second collection was made because of children and for children. Our aim was to create friendly, colourful and nice space for them. This collection is composed of four boxes, frames for pictures and office container.

All products were made from wood and all of them were painted with acrylik paints. It is possibility to order every single product separately.

COLLECTION II

COLOURS AND PATTERNS

We are making our boxes in six different colours: light brown, cream, sky-blue, green and dark green.

We can produce every motif in all presented colours, so it is possible to create 48 different colour-combinations.

COLLECTION II

COLOURS AND PATTERNS

Frames for pictures are available in two sizes (9x13) i (10x15).

COLOURS AND PATTERNS

Colours and ornaments are the same like on boxes.
There are eight decorative motifs: a tortoise, a lamb, an elephant, a cow, a clown, a giraffe, a teddy bear.
Office containers are destined for school equipment. It will make every child's desk nicer.
